Harmony Day is an event every Blacktown resident can celebrate.

HARMONY Day will celebrate our culturally diverse nation as one.

The day, which is celebrated across the nation on March 21 annually, will be a day to stand tall with the Australian flag.

Blacktown is multicultural and leads by example with friendly and accepting communities.

SydWest Multicultural Services will be holding a free interactive and fun-filled event for all residents.

Entertainment will include dance, music, a seniors choir and guest speakers.

A free art workshop will be available for seniors at the CALDACS office from 1.30pm to 3.30pm. There'll be information stalls and sessions by the Salvation Army, Employment Plus, TAFE, Australian Red Cross Blood Banks, Centrelink, Blacktown City Council, Macquarie Community College, Blacktown Police, Blacktown Family Relationship Centre, **Break Thru Employment** and Hillsong CityCare.

Blacktown Fire Brigade will also be raising funds for the bushfire appeal.

Free refreshments, sausage sizzle, balloons and stickers will be handed out.

The event will be held from 11am to 2pm at SydWest Multicultural Services, Level 2, 125 Main St, Blacktown. Details: Maree Fayne on 9621 6633.
