THANK YOU

On behalf of the Westpac Rescue Helicopter Service I would like to thank you for the support given to our 2010 Charity Race Day held on Thursday 1 July at Wyong Race Club. We hope you and your guests enjoyed the day.

The businesses and people of the Central Coast have rallied together and helped us achieve an outstanding result of \$8,500. This could not have been achieved without the support of people like yourself - to whom we are very grateful.

I would like to make special mention and thanks to our major sponsor Break Thru People Solutions for their ongoing support of this annual event.

Other long term race sponsors include Advance Design, Newcastle Jockey Club and Wyong Rugby League Club Group. We also welcomed for the first time John Holland. Thank you to all race sponsors.

As you know our challenge is to raise enough funds each year to ensure we are able to maintain the overall service - of which 1400 rescue missions were completed in the past 12 months. This fantastic result from the race day sets us in the right direction to continue to provide a 24 hour / 7 day a week, free-of-charge service to the community.

Again, thank you and I hope that you will be able to support us again next year.

Kind Regards

Shannon
